REPORT OF FIRE DEPARTMENT

The Fire Station was painted this past year and work done inside by Firemen.

Due to construction of I-89, which cut off the use of the Warner River at Lower Warner, we have, with the fine co-operation of the State Highway Dept. and R. C. Watkins Co., a four inch stand pipe and a four inch line to the edge of the River and a road to the River so that we can pump water to 103 and serve Lower Warner in case of fire. We also were able to secure a ramp at Fosters Bridge and a road from the town dump to Stevens Brook and a water hole in the Brook.

The Fire Station was host to the school and several groups and a two weeks course given to the 4-H boys on fire training, care and use of equipment.

At drills and meetings, several courses were given to Firemen on use of equipment.

I wish to thank the people of Warner for the fine co-operation with the Fire Department and your cooperation in fire prevention.

REPORT OF FOREST FIRE WARDEN & DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M.-5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material — use the ash-tray.

REPORT OF POLICE DEPARTMENT

Cases of vandalism doubled during 1967. Automobile accidents, although about the same in number as in 1966, were of a more serious nature. The problem of breaks and entries is still with us. The situation, we hope, can be relieved by the continued PROMPT notification to this Department of suspicious persons or cars around buildings where the owners are not in residence. If you will note the registration numbers of cars in the area at the time and give them to us when you call, it would be appreciated. A description of the vehicles and any occupants is also very helpful.

The opening of Interstate Route 89 through Warner presented many additional problems. Persons unfamiliar with the rather complicated routes and detours became lost, ran out of gas, and met other similar problems. The influx of travellers journeying to and from Expo '67 added to the normal large number of persons using our roads during vacation times.

Our Warner Fire Department has done excellent service, not only at the scene of fires, but also on emergency aid. The Fire Department has an oxygen unit, but this year, the Police Department has added a smaller unit, a "Port-O₂-Matic," which can be used when this Department is called on an accident and is usually first to arrive on the scene. In this instance, the new, small unit could maintain a life until the Fire Department arrives with their larger unit.

The following is a listing of Police activities during 1967.

Breaks and entry	27

There are several matters that all towns are going to have to give serious consideration to in the very near future.

1. Transportation for the officers. At the present time, all officers supply their own transportation while on duty and receive no reimbursement for wear and tear on their vehicle.

2. A serious training program for all current and future new officers.

3. Adequate pay increases to meet State and Federal requirements.

The serious conditions we are facing throughout the nation are not improving and will require well-trained men who are paid a more realistic wage than most towns have met. At the present time, the Warner wage scale is below the required Federal wage schedule. During the last five years, any training taken by any member of this Department has been paid for by the trainee himself. It would seem now, that in the very near future, extensive instruction will be mandatory and will not be just two or three hours in the evening, but of several full days duration and given under Federal and State supervision.

On behalf of the officers and myself, I wish to thank the Selectmen, the Highway Department, the Fire Department, Concord Police Department, State and local Police Departments, the Sheriff's Department, all other Departments, together with the residents of Warner who have been so helpful to us during the past year.

LIBRARIAN'S REPORT OF THE PILLSBURY FREE LIBRARY

To the Trustees of Pillsbury Free Library:

At the annual Town meeting, Mrs. Mildred White, Mr. Walter P. Miner, and Mr. Harold W. Dow were elected to the Board of Trustees.

The library is now open Thursday night 7-9 instead of Saturday night. During the next year the library will be open more hours.

National Library Week was observed in April by a Coffee Hour. New books were displayed. Drawings and paintings were exhibited by the pupils of the Graded School.

The American Legion Poppy posters were displayed in May. These posters were made by the Graded School pupils.

The Children's Reading Program started in July. The Friends of the Library assisted with this activity. Story-hours were held every Tuesday afternoon for pre-school and school-age children. A party was held in August and reading certificates awarded.

A film hour for children has been held once a month. Friends of the Library also help in this activity.

Students of the Graded and High School have visited the Library several times during the year.

The librarian and trustees have attended workshops, meetings, and conventions during the year.

11,287 books have been loaned this year. 387 new books have been added.

The Civic Improvement Committee of the Warner Woman's Club lighted the tree on the library lawn at

Christmas. The interior of the library was decorated by the Friends of the Library.

The Pillsbury Free Library wishes to thank those who have contributed in any way to the library during the year.

The trustees have met in the library for all their regular meetings.

Respectfully submitted,
